## THOUGHTS ON MATTHEW 14:13-21 – Rev Dawn Chesser

God's abundance is right here, right now, wherever right here and whenever right now may be. We think we don't have enough, not because our supplies are too small, but because our "we" is too small. The "we" includes God and the gifts of all those among whom we are sent as Christ's body. Jesus' call is a summons to see beyond what we think we can do as mere human beings and to reach for something greater: to have faith that God can make us able not just to persevere, but to do more than we could ever do on our own.
